

Douglas Participates in Green Schools Initiative!

Mrs. Rachel Usher, Gr. 7 Science Teacher and Douglas Green Schools Initiative liaison, attended a Green Schools meeting prior to the holiday break, along with **Trevor Mungeam**, Grade 7 Representative, and **Delaney Krasner**, Grade 8 Representative. Here, they are pictured with **Mr. Russell Holden**, Green Schools Director, and **Ms. Diane Goulder**, Director of Youth Programs. Delaney is hoping to start a composting initiative at the high school and Trevor is planning to start a bottle and can recycling initiative at the IES for their Green Schools projects. Great work, and so worthwhile! More details will be forthcoming.
